

Dr. A.P.J.ABDUL KALAM LIVES WITH US

Dr. A.P.J Abdul Kalam, Former President of India, India's missile man, made India as super power with nuclear power, inspiration for whole nation, teacher to young & youth, mentor, true leader, great patriot next to Gandhi.

Simple, honest, hardworking, intelligent with integrity, made impossible possible

Lives with us in soul

As President of India Dr. Kalam gave a keen hearing on IRTSA's (on 29th June 2004 at Rashtrapati Bhavan) proposals on enhancing Rail Network and forwarded it to Railway Board.
