

GS IRTSA along with Sr.JGS IRTSA and VP IRTSA meets the committee on classification of posts as Group B on Railways.

On 05.07.2018, a delegation of IRTSA met the committee on classification of posts in Gr B on the Railways and urged upon the Committee that all the SSE,CDMS, CMS & Sr.Er/ IT in Pay Level-7 be classified on Gr B Gazetted.

It was explained to the Committee that apart from the orders of DOP to classify these posts in Pay Level- 7 in Group B, there were many other vital reasons to classify these posts in Gr B Gazetted as brought out in detail in the memorandum submitted by IRTSA to the Committee including the following facts,

- i) The Foremen in Ordinance Factories in the GP Rs.4600 had been classified in Gr B Gazetted and redesignated as Junior Works Managers.
- ii) The duties and responsibilities of the above said cadres on the Railways requires intensive management of large work force under them which is not the case of any other category on Rlys.
- iii) All Railway Accident Enquiry Committees, Rly safety Committee and Rly Reforms Committee had recommended for classification of posts of SSE on Rlys as Gr B Gazetted to improve and ensure safety on the Railways as well as to provide adequate avenues of promotion to the category.
